**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

As a growing small business owner I rely on my local Coastside.net provider for my internet and phone needs. Since I switched to this local company I have better service and pay fair and competitive prices. I have had problems with AT&T and experienced great frustration until I made the change to my local broadband provider.

Please don't change the rules making it harder for Coastside.net to operate. I don't want to deal with big box providers again. Give me a choice to give my business to local more competitive providers.
